

ASSOCIATION for MODERN GERMAN STUDIES

8 November 2004

Dear Member,

This is to inform you that we will be holding our **Annual General Meeting** this year on **8th December at 6pm in Room GSG20** at the **London Metropolitan University**, Goulston Street (nearest tube station is Aldgate East on the District and Hammersmith & City Line).

Agenda

1. Minutes of last AGM, 15 November 2003
2. Convenor's Report (Dr Christine Hoffmann)
3. Treasurer's Report (Reinhild Weiss)
4. Secretary's Report (Dr Joanne Leal)
5. Membership Secretary's Report (Ingrid Williams)
6. Officers and Panel membership: resignations and elections
7. Changes to the Constitution (details will be on our website by next week)
8. AOB

We hope some of you will be able to attend and be willing to join the AMGS Panel as we are in need of new ideas and support. We now only meet three times during the year but keep regular email contact on important issues. The Minutes of last year's AGM are available on our upgraded website <http://www.amgs.org.uk>

This year's officers' reports will be available on the day. It will contain details of our newly established '**Gisela Shaw Prize**' and also of the forthcoming GFL publications of our very successful April conference on *Transformationsprozesse in den neuen Bundesländern* <http://www.gfl-journal.de>

Please make a note of our next conference ***Film seit der Wende*** on **Friday 22 and Saturday 23 April 2005** at the London School of Economics, Clement House, Aldwych.

In September you will have received details of the conference ***Focus on Learning Strategies*** which will take place on **Saturday 13 November 2004 at the Goethe Institute**. While we were unable this year to help organise this 4th London Conference for Teachers of German we are very grateful for the concessionary rate of £30 offered to all paid up AMGS members.

We would be very grateful for suggestions for **future conference topics and venues** (Birmingham was mentioned as a possible venue and we would need a local person to help with the practicalities) and indeed your views on any issues concerning the AMGS.

With best wishes

Your AMGS team of Officers and Panel Members.
